

Creativity Counts

A series of 5 workshops for **English Language Teachers of Primary Learners** who need practical, fresh ideas for large classes of primary learners. All sessions include a range of motivating activities that can be immediately applied in your classroom, a chance to share your experiences with others, useful handouts to take away and a guide to a wealth of online resources.

- ▶ **Games for Children**
Have fun with your learners using these motivating and practical games in which language is learned through play!
- ▶ **The IWB for Young Language Learners**
Explore a range of easy to use activities and techniques with this amazing and exciting resource.
- ▶ **Using Action Songs and Chants**
Learn songs and chants for teaching language – this enjoyable and effective approach is a favourite with learners and teachers!
- ▶ **Story Time Plus!**
Get creative with vocabulary and the four skills: New ideas for language learning through stories.
- ▶ **Drama in the Classroom**
Simple ways of using drama with children to develop their language skills and bring English to life.
